New Europe Venture Contest Kiev Semi-Final December 1st, 2011 – PwC HQ, Kiev

Capital markets await Ukrainian companies. Success stories and growth strategies for both big and medium companies will be presented on Dec. 1st.

Event free registration and info: <http://www.nevc.eu>

On behalf of the **Warsaw Stock Exchange** and **New Europe Events** we have a great pleasure to invite entrepreneurs from Ukraine interested in raising capital to participate in **New Europe Venture Contest Semi-Final** on **December 1, 2011 in Kiev**, Ukraine.

The event will provide its participants with know-how regarding capital sources for both big and medium companies.

During the event **Dmytro Babayev** of Agroliga and **Artem Kuznetsov** of Westa will present case studies of listing on the WSE from the perspective of Ukrainian Issuer. Legal challenges preceding listing on the capital market will be the topic of **White & Case** presentation while **Grant Thornton** and **Legis** representatives will talk about the capital market strategy and the role of an authorized advisor.

The tax structuring for successful IPO and getting your company IPO ready will be the subject of **PricewaterhouseCoopers** presentation.

The day's agenda will also include a semi-final of the **New Europe Venture Contest (NEVC)** for the most promising and attractive investment projects in the TMT industry in Central and Eastern Europe.

The contest is a series of pitch events held across 12 Central & Eastern European (CEE) countries. Six semi-finals will be held in 2011 in 6 CEE capitals and will lead to the great finale in the Warsaw Stock Exchange Chamber of Listings in early 2012.

New Europe Venture Contest (NEVC) is organized in partnership with the Warsaw Stock Exchange and Partners across Central & Eastern Europe. The contest targets projects in the TMT sectors:

- **T** as technology such as ICT (information and communication technologies), clean technology (clean technology, environmental protection), Biotech (biotechnology, medical technology)
- **M** is for Media
- **T** for Telecommunications

Contest' semi-finalists will receive as an award advisory services (legal, business, EU funding, marketing) preparing them for the Finals. Best prepared projects chosen in the Finals will have an opportunity to go public on WSE's NewConnect unregulated market or raise Venture Capital funding.

New Europe Venture Contest Kiev Semi-Final Jury will consist of, among others: **Olga Belkova** of EastLabs.co, **Konstantin Golovynsky** of Renaissance Group, **Marcin Studniarek** of White & Case and **Olena Volkova** of PwC.
